

Korea-EU Horizon Europe Researchers Networking Forum on Energy & Advanced Mobility

Oscar Oviedo-Trespalacios, PhD.

**Asst/Professor and
Director of Future
of Mobility**

**Delft University of
Technology**

**Societally Ready
Technology**

1. Short Introduction of your Organization

QS World University Rankings

#47

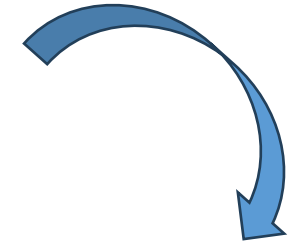

2. Expertise

FOR ALL PRESENTERS

At TU Delft's Faculty of Technology, Policy and Management, we unite engineering, social sciences, and policy to tackle challenges like energy transition, digital ethics, and sustainable mobility.

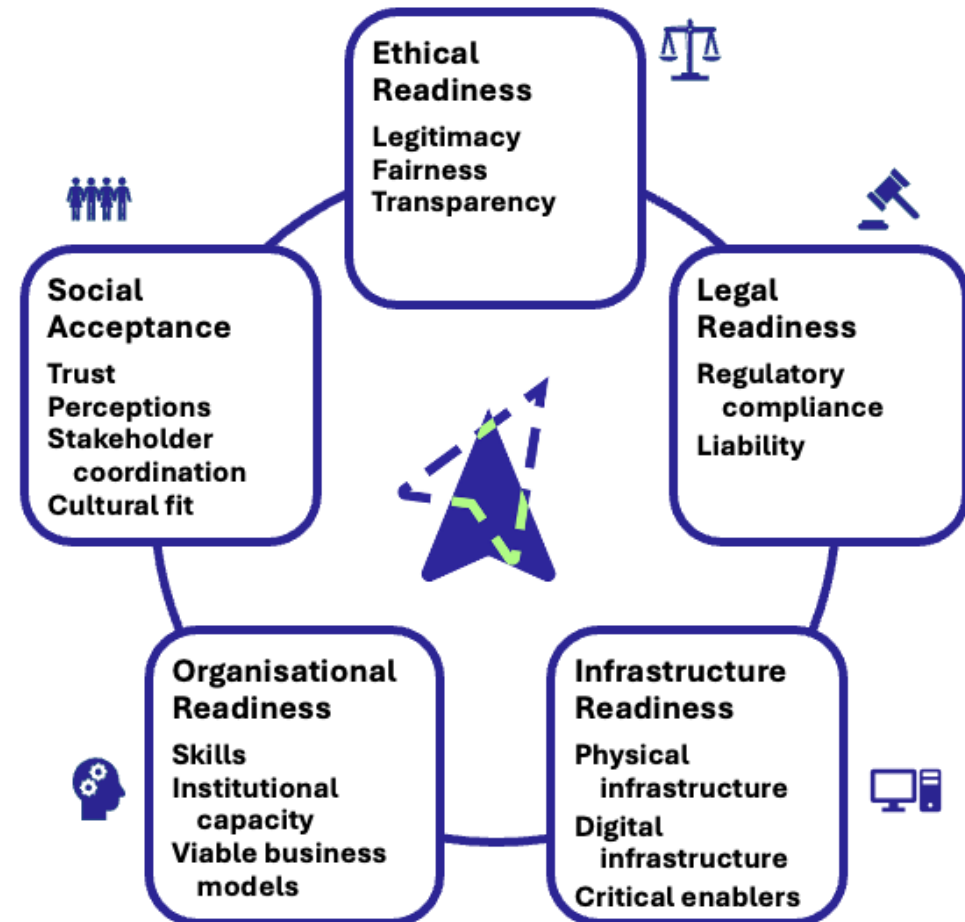

I contribute expertise in **societal readiness, responsible innovation, and human-technology interaction**, developing practical tools that make emerging technologies **safe, fair, and trusted** in real-world deployment.

3. Your Project Idea

FOR ALL PRESENTERS

My expertise in **societal readiness, responsibility, and human-technology interaction** can strengthen virtually any Horizon consortium by ensuring that emerging innovations are **safe, fair, and societally trusted**.

4. Profile You are Seeking and Why

I'm open to collaborations that connect technology, policy, and society.
