

2025년 11월/KERC

# EU Research Career

유럽 주요국 FUNDING & JOB 관련 공고정보

한-EU 연구협력센터(KERC)는 국내 신진연구자들의 유럽 내 연구경력 개발 지원을 위해 유럽 전역의 연구경력개발 관련 정보를 모니터링/분석하여 국내 수요에 부합하는 맞춤 정보를 제공하고 있습니다.

이번 호는 26년 1-26년 6월 마감되는 공고들을 안내 해 드립니다.

## 목 차 (Contents)

- 자연과학 분야 (Natural Science)

---
- 인문사회 분야 (Social Science & Humanities)

---
- 박사과정 (PhD Positions)

---

| Title                                                                    | Oraganisation<br>(Country)                   | Offer Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Deadline  | Link                                 |
